

SARASOTA COUNTY, FL

Announcing new access to
ONLINE RECORDS
from *SarasotaClerk.com*

▶ **SIMPLE** ▶ **DIRECT** ▶ **EASY**

The Sarasota County Clerk's website receives up to 10,000 visits per day—many from citizens and members of the legal community looking up case files and records.

To enhance this e-service, the Clerk is pleased to offer
a new, streamlined access to Online Records on SarasotaClerk.com.

By selecting *Online Records* from the SarasotaClerk home page, the new **Public Records** page lets you begin your online search from one single, easy starting point. Search for marriage licenses, official records, subdivision and condominium plats, traffic records, civil, criminal, probate, wills, guardianship and other court cases, all with just one click.

For members of the legal community, the new, convenient location of the **Clerknet/Authorized User** tool supports the Court and other authorized users' needs through an internet-accessible, secure website for viewing case files—combining technology and customer service to bring you a more streamlined, simple website experience.

TRY IT TODAY. VISIT WWW.SARASOTACLERK.COM AND SELECT *ONLINE RECORDS*.
